

Featuring Keynote Speaker
Rosita Hall, B.S.W.

Professional Speaker, Trainer,
Author, Certified Laughter Leader
Rosita has been described as the
“Motivation Sensation!”

During this lively and thought provoking keynote address, Rosita will encourage participants to recognize & ignite five powerful tools that we each have at our disposal, which will allow us to position ourselves for ongoing success, and continue exploring ways to make a positive contribution both on and off the job. Participants will leave this session feeling inspired, empowered and with practical knowledge on how to ignite and then utilize their amazing resources even in the midst of changes, challenges and chaos. Remember the power is in your hands to **walk boldly** & create success!
